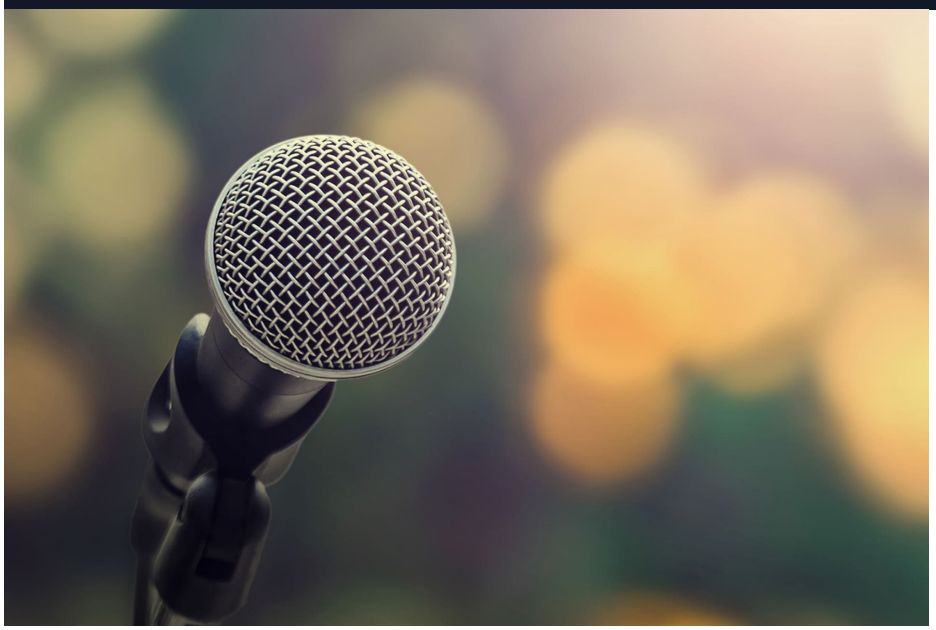
BARNES & THORNBURG LLP



SPEAKING ENGAGEMENTS

TechTainment Conference

DATE

November 16, 2020

SPEAKERS

Roya Rahmanpour
Of Counsel

Roya Rahmanpour served as a moderator during TechTainment, a conference exploring the intersection of technology, entertainment, and the law. The three-day virtual event focused on topics including the Augmented Human, enhancing real-world entertainment using augmented reality/virtual reality, the explosion of the podcast industry, and the tensions between social media content moderation and free expression.
