

PATENT LITIGATION

When It Counts

Barnes & Thornburg's dedicated team of patent trial lawyers offers business-driven, client-focused strategies with proven results. Our lawyers work tirelessly to protect, enforce, and monetize your valuable intellectual property, as well as to defend against overbroad efforts to impede your business. We steer clients through the various stages of litigation, never losing sight of their business objectives and always quick to seize any opportunity to achieve those objectives.

Deep Experience, Proven Results

- **Hundreds of Cases:** In the last decade alone, we have litigated over 500 patent actions and tried cases across a diverse range of industries and technologies, including life sciences, healthcare, consumer products, manufacturing, chemical, mechanical, Internet processes, and computer software and hardware. Our team's expansive breadth of technical capabilities enables us to present your case clearly and persuasively to the jury and/or judge.
- **Trial Lawyers:** Whether facing complex, bet-the company litigation or navigating more nuanced legal challenges, our seasoned first-chair trial lawyers offer a wealth of technical and tactical experience.
- **National Reach:** Our lawyers represent clients in federal districts courts across the country, including high-volume districts like the Eastern and Western District of Texas, the District of Delaware, the Northern and Central District of California, and the Northern District of Illinois. Our national platform and deep bench of litigation and patent professionals allows us to tap into a diverse pool of resources and perspectives, delivering you the best results.
- **Specialized Talent, Deep Knowledge:** Leveraging our 200-plus

Why Barnes & Thornburg?

Finding new ways to help clients identify solutions and new business opportunities, across industries, is at our core. We are, at times, more than lawyers, we are advisers bringing new ideas to light. We understand what keeps you up at night and work collaboratively to find practical and creative solutions, at the heart of business.

Additional Resources

Our team seamlessly integrates legal talent with essential support services, fostering a holistic approach that optimizes efficiency to achieve our client's desired outcome. Our clients benefit from:

- **Internal Litigation (Discovery) Support:** Our litigation support group has pre-vetted a select group of vendors and provides in-house support for discovery needs.
- **Cost-effective Data Discovery:** We leverage technology and proprietary workflow processes to identify relevant information efficiently, thus minimizing costs.
- **Streamlined Document Management:** Our team organizes and manages your documents securely and efficiently, ensuring easy access and retrieval.

Beyond our core legal team, our non-legal subsidiary, ThemeVision LLC, provides comprehensive litigation support, including:

- Targeted theme development to craft compelling narratives and select ideal jurors
- Realistic mock hearings and bench trials to prepare our team for the courtroom
- Strategic exhibit development and testing to ensure your evidence is clear, persuasive, and resonates with your audience

This expanded team ensures you have the resources needed to navigate each aspect of your case with confidence, clarity, and consistency.
