INDIANAPOLIS – Jordan Oliver, a first-year law student at the Indiana University Robert H. McKinney School of Law, is the 2019 recipient of Barnes & Thornburg LLP's annual Diversity Scholarship. Oliver will participate in the firm's summer associate program, which annually brings aspiring attorneys to the firm.

"I am extremely honored to be the recipient of the 2019 Barnes & Thornburg Indianapolis Diversity Scholarship," Oliver said. "Having the opportunity to work at a firm that understands the value that diversity brings, and that prioritizes having attorneys with varied backgrounds, makes me very excited about the future. I look forward to working with and learning from some of the best attorneys that the legal industry has to offer at Barnes & Thornburg this summer."

Oliver, who is expected to earn his J.D. in 2021, is spending the spring 2019 semester as a legal intern in the Marion County Prosecutor's Office. He interned at the U.S. Attorney's Office for the Southern District of Indiana in 2018. A 2018 graduate of Indiana University-East in Richmond, he is a mentor for the Starfish Initiative.

Oliver is a former active duty non-commissioned infantry officer in the U.S. Marine Corps in Washington, D.C., where he served missions at Arlington National Cemetery and was a supervisor and instructor in addition to other duties, and was one of 18 Marines selected to play on the All-Marine basketball team.

"The retention and promotion of women and minority talent are key parts of our success as a firm and are central to our diversity and inclusion
