

Webinar Reminder - "The Obama NLRB - Change Is HERE!"

December 12, 2011 | [Labor Relations](#)

There is still time to sign up for the Indiana Manufacturer Association's webinar, "The 'Obama' National Labor Relations Board - Change is HERE." The webinar will take place tomorrow (Tuesday, Dec. 23, 2011) at 10 a.m. ET and be presented by [Keith White](#), Partner, Barnes & Thornburg Labor and Employment Department.

The "Obama" Board - or the National Labor Relations Board (NLRB) – has been called the most activist, pro-labor board since the 1970s. Union and non-union employers need to be aware that, through decision-making and regulatory changes, big labor's agenda is prevailing. Hear about recent regulatory changes and decisions, and what they could mean for your workforce.
