

Scott Godes To Speak At Upcoming ACI Cyber & Data Risk Insurance Conference

May 26, 2015 | [Data Security, Policyholder Protection](#)

Scott N. Godes

Partner
Data Security and
Privacy Co-Chair,
Insurance
Recovery and
Counseling Group
Co-Chair

[Policyholdercybersecurityimage](#) Scott Godes, partner and co-chair of the firm's [Data Security and Privacy Practice Group](#), will be speaking at an upcoming ACI Cyber & Data Risk Insurance Conference, Sept. 30 – Oct. 1. Scott's presentation, "Credit Card Exposures and What to Expect from the Implementation of Chip and Pin Technology," will provide more information on:

- How major credit card brands are dealing with increased fraud
- Reducing security threats with the new chip and pin technology
- Point of sale exposure for companies that accept credit cards and more
- Insurance coverage issues for these exposures

The Cyber & Data Risk Insurance conference provides maximum opportunities to learn from and network with underwriters, brokers, claims managers and industry leaders, helping you keep pace with the ever-changing cyber insurance market.
