

ALUMNI COMMUNITY

Barnes & Thornburg is committed to maintaining positive connections and lifelong relationships with our lawyers and alumni.

Our alumni community connects all of our lawyers, past and present, to the opportunities and resources that help contribute to a fulfilling and successful career. We strive for excellence and to cultivate a network of the prestigious group of professionals that comprise our alumni to foster connection, engagement and continued advancement. We are proud to call our alumni “family.”

Through the Barnes & Thornburg Alumni Community, we provide opportunities for alumni to connect with other alumni and current Barnes & Thornburg lawyers, engage with training and development initiatives, and benefit from industry insights.
