Mark your calendar and join us for a national insurance recovery webinar on Tuesday, Jan. 27 at 3 p.m. (Eastern). The Barnes & Thornburg insurance recovery attorneys will review 2014's major legal developments and trends in insurance coverage and recovery. You will learn more about how the events of the past year affected:

- Directors and Officers (D&O) coverage
- Excess umbrella liability coverage
- Coverage for business torts and consumer false advertising claims
- Coverage for environmental contamination claims
- Cyber liability and data breach
