Two Barnes & Thornburg partners, Ken Gorenberg from the Policyholder Insurance Recovery Group and Leslie Weiss from the Corporate Department, will be speaking at a [Strafford](#) live webinar, “[Drafting Enforceable Limitation of Liability Clauses in Business Contracts](#),” on Tuesday, April 14, from 1 - 2:30 p.m. EDT. Ken and Leslie will be members of a panel that will provide guidance to business counsel for drafting and negotiating enforceable limitation of liability clauses in business contracts. This is an encore presentation with live Q&A. The panel will review key issues such as:

- What considerations should business counsel take into account when drafting and negotiating limitation of liability provisions in contracts?
- What enforceability challenges do parties commonly face when seeking to invoke a limitation of liability clause?
- What is the interplay between limitation of liability clauses and indemnification provisions in business agreements?

We hope you join us and plan to participate in a live question and answer session with the panel. Register by April 1 to receive a 50 percent discount. [Use this link](#) and the offer will be reflected automatically in your cart.
