

## Scott Godes To Present “Be A Cyber Risk Hero: Understand The Risks & Learn Best Practices To Get Them Insured”

August 29, 2014 | [Cyber Insurance, Policyholder Protection](#)

### Scott N. Godes

Partner  
Data Security and  
Privacy Co-Chair,  
Insurance  
Recovery and  
Counseling Group  
Co-Chair

Silver laptop Scott Godes, from [Barnes & Thornburg's Policyholder Insurance Recovery Group](#), will be presenting on cybersecurity and how to combat cyber threats at the United States Fashion Industry Association (USFIA). During his presentation, “Be a Cyber Risk Hero: Understand the Risks & Learn Best Practices to Get Them Insured,” Scott will go more into detail of the latest cyber risks and best practices for getting insurance companies or other to pay the resulting costs. The webinar will take place September 16 from 2 to 3 p.m. For more information, contact USFIA at (202) 419-0444 or [info@usfashionindustry.com](mailto:info@usfashionindustry.com).
