Please join us for an immigration review covering the following topics:

- Travel restrictions, national interest exceptions, and the forecast for travel restrictions in the coming months
- Green card movement and forecasts for the Visa Bulletin in the new USCIS fiscal year
- Current I-9 exemptions for in-person completion and how to prepare for their termination
- Potential statutory changes to immigration as a result of the reconciliation bill

- Current immigration lawsuits and changes on the horizon

The webinar will feature a Q&A session. You may ask questions during the Q&A or submit them when you register.
