Originally created by the Venture Club of Indiana in 2009, The Innovation Showcase was enhanced with the addition of Verge in 2011 and now is known as the place to connect with the entrepreneurial energy in Indiana.

Hosted in 2009 and 2010 at The Purdue Technology Center of Indianapolis and in 2011 and 2012 at DeveloperTown, the size and scale of The Innovation Showcase forced a move to its largest venue yet in 2013 - The Dallara IndyCar Factory in Speedway, Indiana.

Having hosted over 2,500 attendees since inception, The Innovation Showcase is looking to continue it's track record of growth in exhibiting companies, connections made for entrepreneurs & investors and in measurable outcomes for companies exhibiting and presenting at The Innovation Showcase.
