September 12, 2014 | [Columbus](#)

Hannah Kittle and Bill Nolan of the Columbus office attended the 2014 Operation Feed Finale on Aug. 21, where the firm received one of 14 Awards of Excellence for its campaign. This is the third year that the office, under Hannah's campaign leadership, has raised funds for meals for the Mid-Ohio Food Bank. In addition to its second Award of Excellence, the office received a Benchmark Award for the third straight year. The awards were based on the office exceeding Mid-Ohio Food Bank's goal of raising at least 100 meals per employee and increasing meals contributed by at least 40 percent over 2013.
