Helping Clients Victimized By Business Email Compromise Schemes

June 30, 2022 | [San Diego](#)

Andrew Galvin published an article in the June issue of the Report of the Association of Business Trial Lawyers-San Diego chapter, “Helping Clients Victimized by Business Email Compromise Schemes.” Andrew leveraged his recent experience as the Financial Fraud Coordinator at the U.S. Attorney’s Office in San Diego to explain the threats posed by email compromise schemes and some concrete steps businesses can take to protect themselves.
