

SPEAKING ENGAGEMENTS

AI Vs. Data Privacy Laws

DATE

October 26, 2023

SPEAKERS

Mark Stignani
Partner

Mark Stignani presented a webinar, “AI vs. Data Privacy Laws,” for the National Business Institute (NBI). Mark addressed the significance of recognizing potential data integrity and privacy issues while deploying a range of artificial intelligence (AI) models. His presentation not only focused on raising awareness about the challenges tied to AI models, but also included practical solutions for addressing such concerns.
