Insurance Coverage For Construction Defects - 2018 50-State Survey

July 22, 2018

Barnes & Thornburg's Construction Law Practice Group has issued its 2018 50-State Survey of the Threshold "Occurrence" Issue. This updated survey reviews each state's current case law with respect to the "occurrence" insurance coverage issue for construction defect claims. Find out more about how your state analyzes this critical insurance issue, and whether there are any state supreme court decisions or state statutes that apply.
