I AM...

- A farm boy at heart who successfully avoided detasseling
- In love with travel, having trips planned through 2026
- An architecture buff who strikes out to see buildings of interest
- An audiobook fiend who “reads” about 60 books a year
- Writing a sequel to “Hamilton” that features George Washington aka G Dot Wash
- A struggling piano player
- A Thanksgiving Day baby - my mom was really pleased
- Fond of the idea of exercise - really, it’s great
- A photography maven – loved my tilt-shift lens until a millennial showed me how to get the same effect with an iPhone. Phooey.
