I AM...

- The result of a loving and courageous immigrant mother
- A proud father of 46 plants and an unpleasant turtle named Squirt
- An immersive traveler and seeker of new experiences
- Eternally either tired, or hungry, or both
- Still figuring out how to be an adult
- Curious and optimistic by nature
- Not fond of coffee, bread, pasta, cheese, alcohol, and sweets. There, I said it!
- A Vietnamese-American who juggles dual identities and expectations
- A grateful alumni scholar of the Horatio Alger Association, which changed my life
- Người may mắn nhất trên thế giới (the luckiest person in the world)
