In yet another example of old issues getting new life in 2020, employers are increasingly confronted with employees commenting online on controversial topics – and employers' customers and other external parties calling out the employer.

This webinar will address common examples of this phenomenon, and the legal and practical implications for dealing with it.

1.0 hour CLE and HRCI credit pending. This program is valid for 1.0 PDCs for the SHRM-CP® or SHRM-SCP®.
