Non-Fungible Tokens (NFTs): Sorting Sanity From The Silly

DATE

March 28, 2022

SPEAKERS

Mark Stignani
Partner

Mark Stignani spoke virtually as part of a Practicing Law Institute (PLI) program, “Non-Fungible Tokens (NFTs): Sorting Sanity from the Silly.” Mark broke down what NFTs are in simple terms, along with how they are created and transacted, who is trying to regulate them, and a list of other issues that might crop up as clients start creating NFTs.
