

## **Cyberinsurance - A Practical Guide To Risk Mitigation In A Connected World**

### **DATE**

**July 14, 2015**

On July 14, Scott Godes of the Washington, D.C., office presented "Cyberinsurance - A Practical Guide to Risk Mitigation in a Connected World," a live seminar and simulcast webinar for the Association of Corporate Counsel, National Capital Region. The event was hosted in the firm's Washington, D.C., office. More than 100 people signed up, with 20 ACC attendees in-person and 80 more attending via webinar.
