

Bullies In The Workplace: Real Threats?

DATE

March 27, 2014

Tina Syring of the Minneapolis office co-presented a Barnes & Thornburg Labor & Employment webinar on March 27. The presentation was titled "Bullies in the Workplace: Real Threats?" and focused on the effect bullies can have on everyone in the workplace, not just those being bullied. They informed more than 240 attendees on what bullying is and provided suggestions about how employers can combat and address the negative effects of bullying.
