### Law 360 - "Insurance Regulation And Legislation: Midyear Report"

July 29, 2016

Scott Godes of the Washington, D.C., office was quoted in "[Insurance Regulation And Legislation: Midyear Report](#)," published by Law360 on July 29. In the article, Scott pointed out that European authorities have stated that the Privacy Shield ensures that every complaint against a company over purportedly lax data security practices will be dealt with and resolved.
