

SPEAKING ENGAGEMENTS**Health Law: Top 10 Intellectual Property Questions And Answers For The Health Lawyer****DATE****August 21, 2013**

On August 21, Felicia Boyd of the Minneapolis office presented a webcast for Minnesota CLE. Their presentation, "Health Law: Top 10 Intellectual Property Questions and Answers for the Health Lawyer," explored the intersection of healthcare and intellectual property law and explained critical IP signposts that signal the need for diligent attention. Discussion centered on nondisclosure agreements, new employee integration, noncompete agreements and the risks of misappropriation of IP from a civil and criminal perspective.
