### **American Psychology & Law Society News - Identifying The Jurors Who Won't Stay Offline: Development Of The Juror Internet Research Scale**

June 3, 2016 | [Indianapolis](#)

Dennis Stolle of the Indianapolis office and of ThemeVision LLC is the editor of [Identifying the Jurors Who Won't Stay Offline: Development of the Juror Internet Research Scale](#), which was published in the Summer 2016 issue of the American Psychology & Law Society News. The article, authored by Alexis Knutson, Edie Green and Robert Durham, explores methods for identifying jurors who are likely to break judicial admonitions against case-related online research and communications during trial.
