

SPEAKING ENGAGEMENTS

Managed Care Enforcement Trends

DATE

August 10, 2022

SPEAKERS

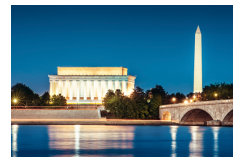

John E. Kelly
Partner,
Healthcare
Department and
Healthcare
Industry Practice
Chair

**Jacquelyn
Papish**
Partner

John Kelly and Jackie Papish spoke to compliance officers at Health Ethics Trust's Compliance Certification Intensive Course, held virtually, on "Managed Care Enforcement Trends." John and Jackie covered some of the most recent government investigations, False Claims Act cases, and compliance best practices involving managed care including the Medicare Advantage program and risk adjustment process. John and Jackie have spoken a number of times for Health Ethics Trust, which provides education to healthcare compliance professionals.
