**Attorney Presentation - "Best Practices In Developing Medical Devices Containing Software"**

**DATE**

April 11, 2017

**SPEAKERS**

**Lynn C. Tyler,**  
**M.S.**  
Partner

On April 11, the Indianapolis office co-hosted a half-day workshop sponsored by the Indiana Medical Device Manufacturers Council titled, "The Impact of Software in Medical Device Development." Approximately 50 people attended from medical device companies around the state. Lynn Tyler of the Indianapolis office moderated a panel discussion on the topic, "Best Practices in Developing Medical Devices Containing Software." Pearl Pathways, a firm client and an FDA consulting firm in Indianapolis, served as co-host.
