On Feb. 13, Brian McGinnis of the Indianapolis office presented to the Indy Chamber and members of the Business Ownership Initiative in the Indianapolis office. In Brian's presentation, "[Exposed: It's Not IF You'll be Hacked, It's WHEN](#)," he explained to attendees why 2014 has been called the "year of the data breach" and that every business is a target, no matter the size. He also helped attendees learn the lessons of the data security breaches suffered by companies like Target and Home Depot and provided practical cybersecurity advice to help them protect their business.
