The seasons are changing. Will the Fair Labor Standards Act change too?

Join us for our monthly Labor and Employment Update, where our speakers will discuss the notice of proposed rulemaking recently issued by the Department of Labor which, if it goes into effect as-is, would “extend overtime protections to 3.6 million salaried workers.”

The discussion for this session will include:

- An overview of the history of the Fair Labor Standards Act
- What the Department of Labor is seeking to change in the Fair Labor Standards Act
- What the Department of Labor's proposed changes could mean for employers
