PRACTICES

Litigation

Sarah McKinnon helps attorneys prepare for commercial litigation, expert depositions and trials. With over a decade of experience as a nurse, Sarah offers an extensive background in medical research in rehabilitation, trauma, geriatrics, emergency room care and nursing education.

As a nurse paralegal, Sarah understands medical terminology, standards of care and various medical procedures. She uses this knowledge to analyze medical records, verify the accuracy and authenticity of alleged facts, and organize clinical records for a complete history and timeline.

Sarah is skilled in analyzing medical records, reviewing medical record summaries, and identifying gaps in care or breaches of standard of care.

Prior to joining Barnes & Thornburg, Sarah worked as a legal nurse consultant.
