I AM...

- Blessed that my husband, Aaron, and I have been able to spend the last 12 years watching reruns of “Law & Order SVU” and “I Love Lucy”
- The mother of energetic, beautiful and smart 2-year-old, Melanie Joyce, or MJ for short
- The owner of Britt Stitch Blankets (Instagram) – shameless plug
- A follower of Christ
- The fourth of five children and could not imagine family gatherings with any fewer
- Becoming increasingly okay with scratch-outs on my paper – recovering perfectionist
- Passionate about people
- A true crime and psychological thriller junkie
- A believer in going after your dreams and “doing it scared”
- Currently obsessed with all things Dave Ramsey and hopeful to do our debt-free scream one day
