Complying with federal regulatory requirements continues to be a moving target. If your company is a contractor or subcontractor to the federal government, or is required to comply with other employment-related federal regulations, please join Barnes & Thornburg and The Austin Peters Group for this webinar covering:

- Affirmative action updates
- New OFCCP directives
- OFCCP transparency efforts
- Compliance evaluations and enforcement
- New guidance on evaluating pay disparity, and recent compensation cases
- Affirmative Action Program verification requirements

- Recent cases
