### Reference Handbook On The Commercial General Liability Policy

September 5, 2014 | [Minneapolis](#)

Christopher Yetka of the Minneapolis office authored Chapter 13 of the second edition of the "[Reference Handbook on the Commercial General Liability Policy](#)," published by the Tort and Insurance Practice Section of the ABA. The book provides concise discussions of the most salient points of the commercial general liability policy, including: who is an insured, trigger, occurrence, damages, exclusions, bad faith and the Bermuda and London markets.
