The Latest Entry In The Legal Tech Platform Race Is A Law Firm

October 31, 2019 | [Indianapolis](#)

Charlie Edwards was quoted in a Bloomberg Law article, "[The Latest Entry in the Legal Tech Platform Race Is a Law Firm](#)," regarding the launch of [CaseHub®](#), the firm's proprietary web-based tool that facilitates collaboration and management of litigation and other projects through a central hub. CaseHub® can be used by firm clients, co-counsel, and outside legal teams, as well as Barnes & Thornburg legal professionals, to improve workflows, data sharing and efficiency for litigation and other legal matters.
