

## Workplace Investigations: Managing 5 Challenging Witnesses

### DATE

August 14, 2015

Bill Nolan of the Columbus office recently presented a webinar through i-sight.com entitled "Workplace Investigations: Managing 5 Challenging Witnesses." The webinar, attended by 700 human resources, investigative, and other professionals, provided strategies for dealing with common types of characters encountered in workplace investigations. It can be watched [here](#). Bill's other recent presentations include: Session at the Ohio Association of School Business Officials conference on "Helping Your District Through A Crisis," presented with a client and two communications professionals; a webinar for the Ohio State Bar Association (OSBA) on "Serving on a Non-Profit Board: What Lawyers Need to Know"; and an OSBA panel discussion with National Labor Relations Board representatives on NLRA developments.
