Contracts With Referral Sources: Entering Into A Proper Physician Arrangement

April 1, 2022 | [South Bend](#)

Bob Wade authored two sections in the 2022 edition of the Complete Healthcare Compliance Manual published by the Health Care Compliance Association, “[Contracts with Referral Sources: Entering into a Proper Physician Arrangement](#),” and “[Contracts with Referral Sources: Importance of Monitoring These Arrangements](#).” The Complete Healthcare Compliance Manual is an all-in-one, comprehensive guide that provides new and experienced compliance practitioners with guidance and insights on the fundamentals of program management, risk assessment, compliance training, auditing and monitoring, and much more.
