Property Casualty 360 "6 Categories Of Questions You'll Be Asked When Applying For Cyber Coverage"

October 5, 2016

Scott Godes of the Washington, D.C., office was quoted in Property Casualty 360's article entitled "[6 categories of questions you'll be asked when applying for cyber coverage](#)." The article was published on Oct. 5 and looks at the most common questions asked on cyber insurance applications. Scott was also quoted in an article, "CyberSecure Summit examines tension between privacy, security," that recaps cyberSecure Summit, a two-day event for lawyers, law enforcement, and security and privacy officers, at which Scott presented. The article was published by Westlaw Data Privacy Daily Briefing on Oct. 4.
