Julie Veldman Harris: I Am Barnes & Thornburg

I AM...

- A mom to Gabe (3) and Elaina (6 months)
- A wife to Mike, who I married about a year after meeting (online) – when you know, you know!
- An avid Notre Dame fan
- A Barnes & Thornburg lifer. I started as a summer associate and have worked in three offices, and truly love them all.
- A horseback rider and competitor
- A firm believer that “love is love”
- Extremely close to my (large and loud) family
- Excited to attend any sporting event
- A devoted friend. I had 12 bridesmaids who are all still my best friends, and I would have a few more to add if I were getting married today!
- Happiest when I am with my kids (and on a beach, if we are getting specific)
