

RECOGNITIONS

Boudreaux, IP Department Named To LMG Life Sciences Annual Lists

October 5, 2021 | [Southeast Michigan](#)

William R. Boudreaux, a partner in the Ann Arbor and Detroit Metro offices, has been recognized by LMG Life Sciences as the 2021 Patent Strategy Attorney of the Year-Midwest. The firm and its intellectual property department were also recognized as a 2021 Intellectual Property Firm to Watch.

Boudreaux has more than 25 years of experience as a pharmaceutical patent lawyer, and has worked in-house for international pharma companies in addition to having an established private practice.

Barnes & Thornburg's Intellectual Property team is among the largest in the country, with nearly 130 IP attorneys and professionals and 95 registered patent attorneys and agents. The firm's skilled life sciences and intellectual property attorneys apply their global experience to moving scientific research and development forward.

LMG Life Sciences is the definitive guide to leading North American law firms and lawyers specialized in the life sciences industry, which are based on case evidence, peer feedback and client feedback.

With more than 700 attorneys and other legal professionals, Barnes & Thornburg is one of the largest law firms in the country. The firm serves clients worldwide from offices in Atlanta, Boston, California, Chicago, Delaware, Indiana, Michigan, Minneapolis, New York, Ohio, Raleigh, Salt Lake City, Texas and Washington, D.C.
