Join Barnes & Thornburg's Environmental Department for an important three-part seminar addressing various perspectives on the state of environmental regulation. Our EPA panelist will highlight the administration's key environmental enforcement achievements and future goals. Our legislative panelist will assess the effect of the mid-term elections on environmental legislation, policy, and Congressional engagement with EPA. We'll conclude the event with our perspectives and insights regarding some of the key environmental challenges facing the regulated community.

Registration:

12:30 p.m. (Eastern)

Program:

1:00 - 3:00 p.m.

Reception:

House of Sweden

Agenda
