

SPEAKING ENGAGEMENTS

The AI Executive Order And OMB Memo: Exploring The Future Of AI Governance And Regulation

DATE

January 24, 2024

SPEAKERS

Mark Stignani
Partner

Mark Stignani conducted a webinar, "The AI Executive Order and OMB Memo: Exploring the Future of AI Governance and Regulation," for the National Business Institute (NBI). The recent executive order from the Biden administration and the memorandum from the Office of Management and Budget were the primary topics. Mark discussed responsibly auditing a business' current AI footprint; establishing guidelines for both internal use and external vendors providing AI services, with a focus on engaging with federal agency structure; and guidelines for AI governance.
