

Michael Fenech uses his down-to-earth and approachable manner to provide clients with practical, business-focused advice on a broad array of corporate matters, including mergers and acquisitions, across numerous industries.

Companies turn to Michael for guidance in the areas M&A, commercial contract drafting and negotiation, business entity formation and organization, and other corporate transactions.

His experience includes assisting clients with seed and growth capital matters, debt and equity financings, corporate governance, and a wide variety of contract drafting.

Michael's knowledge extends to the areas of technology and software licensing, big data and other proprietary technology and intellectual property.
