Barnes & Thornburg Represents Chordline Health In Acquisition By Valsoft

February 26, 2025 | [Ann Arbor](#) | [Chicago](#) | [Columbus](#) | [Los Angeles](#)

Barnes & Thornburg served as lead counsel representing [Chordline Health](#), a leading provider of managed care software, in its recent sale to [Valsoft Corporation Inc.](#), a company that specializes in acquiring and developing vertical market software businesses.

Chordline provides clinician-designed software that supports health plans, third-party administrators, accountable care organizations and other risk-bearing entities across both the private and public sectors. Its solutions integrate case management, utilization management, appeals and grievances, and advanced analytics, ultimately enhancing decision-making, improving patient outcomes and optimizing costs.

With the acquisition, Valsoft enters the managed care sector and will help accelerate Chordline's growth via additional resources and operational support.

The Barnes & Thornburg team representing Chordline included [Joseph Morrison](#), [Scott Carter](#), [Iqra Mushtaq](#) and [Meagan Dimond](#).

With more than 800 attorneys and other legal professionals, Barnes & Thornburg is one of the largest law firms in the country. The firm serves clients worldwide from offices in Atlanta, Boston, California, Chicago, Delaware, Indiana, Michigan, Minneapolis, Nashville, New Jersey, New York, Ohio, Philadelphia, Raleigh, Salt Lake City, South Florida, Texas and Washington, D.C.
