**Anthony J.  
Burba**  
Partner

Tony Burba was featured on the American Health Law Association's Speaking of Health Law Podcast. The episode, "[Clinical Decision Support: The Regulatory and Practical Implications of a Rapidly Developing Power Tool](#)," features Tony and Gail Javitt of Hyman Phelps & McNamara PC. Clinical Decision Support (CDS) tools are technology that interacts with providers and patients at the point of care that are most often integrated into a provider's electronic health records software.
