November 17, 2015 | [Indianapolis](#)

**INDIANAPOLIS** – Law360 named Indianapolis partners Andrew Detherage and Charles Edwards, co-chairs of the firm’s Insurance Recovery and Counseling Practice Group, “[Insurance MVPs](#)” in its annual rankings.

Law360 recognized Detherage and Edwards for their success in a recent case. On Aug. 20, 2015, Detherage and Edwards secured a \$204 million jury verdict for Simon Property Group, a global leader in retail real estate ownership, management and development, after a six-week jury trial in Nashville, Tennessee.

“The trial and verdict were a ratification of many of the things that Charlie and I have always done, including putting an emphasis on working harder than the other side and great teamwork,” Detherage said in the Law360 article.

Each year, Law360, a legal news service, profiles five attorneys who had the biggest wins and made the most significant contributions to their practice groups in the past year. Attorneys and law firms from across the nation are invited to submit nominations.
