JoJo.Ruby@btlaw.com

Export Controls and Foreign Investment

Linda Weinberg, Partner, Barnes & Thornburg

Changes to regulations relating to emerging technologies.

Federal Contracting

Michael Hordell, Of Counsel, Barnes & Thornburg

Government contracts compliance in a nutshell.

Corporate Monitorships

Katie Matsoukas, Partner, Barnes & Thornburg

How do corporations find themselves in monitorships, what does it mean for the company, and how can the company utilize a monitorship to its benefit? In this session, we'll discuss these questions and more.

Environmental Compliance

Jeff Longworth, Partner, Barnes & Thornburg

Revamped programs under the Trump administration and the possible resulting risks and liabilities.

Cybersecurity and Insurance

Scott Godes, Partner, Barnes & Thornburg

We'll discuss the latest cybersecurity risks that enterprises face, what are the best practices to mitigate risks, how to best get insurance to cover your entity's losses, and best practices for insurance requirements in vendor contracts.
