Alicia Raines Barrs, Chisara Ezie-Boncoeur and Juanita DeLoach attended the Diverse Attorney Pipeline Program (DAPP) 2023 Client-Readiness Boot Camp in Dallas. Alicia and Chisara participated on a panel moderated by Juanita, “Anatomy of Litigation,” discussing how to effectively support a litigation team and key tips on how to have an engaging and successful summer. Over 30 DAPP 1L law students were in attendance. DAPP is a nonprofit corporation that addresses the continued and systematic decline of women of color lawyers in the legal profession and works with law students to secure summer positions at law firms and corporations following their first year of law school.
