

SPEAKING ENGAGEMENTS

Recent Legal Developments Regarding TCE Exposure Liability And “Risk-Based” Closures

DATE

October 30, 2019

SPEAKERS

**Charles M.
Denton**
Partner

Charlie Denton spoke at the fourth SouthEastern States Vapor Intrusion Symposium in Kennesaw, Georgia. During his program, “Recent Legal Developments Regarding TCE Exposure Liability and “Risk-Based” Closures,” Charlie discussed potential pitfalls from environmental continuing due care obligations and from migrating vapor intrusion toxic tort claims.
