The Young Professionals of the Barnes & Thornburg Indianapolis office invite you to Law and Hors d'Oeuvres – A Thursday Social, at home.

Join us for a Q&A session via Zoom with Dr. Kristina Box, Indiana State Health Commissioner. Dr. Box will provide updates on the current COVID-19 situation and then answer questions.

We will then split into small groups for virtual networking and connecting with one another. We all know you're at home, so you might as well attend...
