The theme of Barnes & Thornburg's 2019-2020 Diversity and Inclusion winter publication is "The Gift of Inclusion." In the publication's opening letter, Director of Diversity, Professional Development and Inclusion Dawn R. Rosemond emphasizes how focusing on this gift can have a powerful, lasting and positive impact.

In the pages that follow, you'll find stories of inclusion from a few of our inspiring colleagues, hear from a couple alumni about what the gift of inclusion means to them, and learn from a couple of clients about how their work and their corporate entities are in the constant pursuit of inclusion.

We hope you are moved by these stories. And most importantly do and keep doing whatever you can to foster inclusion as we turn to a new year!
