The theme of Barnes & Thornburg's 2019 Diversity and Inclusion summer publication is "20/20 Vision." In the publication's opening letter, Director of Diversity, Professional Development and Inclusion Dawn R. Rosemond shares how our firm and our people strive to have "20/20" vision regarding our commitment to diversity and inclusion.

We understand that diversity does not connote inclusion and that neither manifests by happenstance. To experience the change desired for our firm and beyond, and to ensure that this truly is a place where all of our talent can win, we must deliberately go after it day in and day out.

In the pages that follow, you'll get to meet some of our amazing change agents, hear from some of our talent talking about how they have been impacted by our vision, along with a spotlight on a corporate champion we've "caught doing good," and see some of the unique initiatives that help to define the Barnes & Thornburg difference.

We hope you enjoy getting a glimpse of our focus. And we hope that something here clarifies your vision for change!
